Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. Charlie and Wolfe The fact that you are reading this means that someone actually found my book. I had my doubts because I was certain that there wasn't anyone else left alive. I have now wandered this wasteland that was at one time called the United States for three years and in that time, I have only ever run into one other living person. So you can understand my doubts that anyone would ever find this. My name is Charlie Meadows and my buddy here is Wolfe. We've traveled this barren wasteland for almost three years together and by sheer luck, we discovered what had really happened. You are obviously still alive, so maybe you have also been wondering what had caused the apocalypse. Why one day you were going about your life as usual and the next day the world was being overrun by the dead. You may have heard it referred to as the Zombie Apocalypse, but it wasn't really caused by zombies. In fact, as I look back at what happened, I think you might say that they were just victims like you and I. They of course played a big part after it began, but it wasn't because of something they had done that started it all. The apocalypse also wasn't caused by some mysterious meteor that flew too close to the earth. Terrorists or biological weapons or anything like that also wasn't the cause. Those things were just inventions of some writer's imagination so that he could sell books. I may be the only one that knows the truth, not because I'm some kind of genius, but because I just got lucky. Since you found my book, you might want...
