Synchronista LLC, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. The early 1920s was a time of flappers and freedom, ragtime and jazz, The Great Gatsby and the silver screen, along with stars like Mary Pickford and Norma Talmadge. "Flappers" were all about confidence, bucking tradition, and forging new paths. Naturally, the styles of the early '20s demonstrated how young women were rebelling against corsets and petticoats, instead adopting simpler, sassier clothes with straight lines that were flirty and emphasized the much-desired slender frames. Between these covers, you will find 43 coloring pages with more than 180 different examples of outfits popular during the twenties - dresses, suits, coats - and including hats, parasols, shawls and other on-trend attire. All are from newspaper fashion features, which showed the newest styles drawn into a trendy layout or location. As you will see, the stereotypical "flapper style" seen in modern media really represents just a fragment of what was considered to be in vogue at the time. While the silhouettes were usually sleek, the fabrics, ornamentation and accessories often made up for such simplicity. And now it's time to give these outfits from the Roaring Twenties the color and the verve they have been missing for the better part of a century!.
